Pepper & Carrot

Episode 3: The secret ingredients
Good morning Sir, I would like eight pumpkins, please.

Here you are, that's 60Ko*

...Oh dear

* Ko = the Komona currency unit
Uhh sorry, I’ll have to take only four...

Greetings, good Sir. Please prepare two dozen of everything for me. Premium quality, as usual.

It’s always a pleasure to serve you, Miss Saffron.

Hey look, it’s Pepper.

Oh, let me guess business is booming in the countryside?

I guess you’re preparing the ingredients for tomorrow’s potion challenge?

... a potion challenge?

... tomorrow?
Lucky me, I still have a full day to prepare!

Let’s win this challenge!
Oh ... !
I know ...

... that's exactly what I need !

Carrot !
Get ready, we'll hunt the ingredients together
First, I need a few pearls of mist from those black clouds ...

... and some red berries from the haunted jungle
... plus egg shells from the Phoenix valley of the volcanos ...

... and finally a drop of milk from a young DragonCow
That's it Carrot, I think I have everything I need.

It looks ... ... Perfect.

Mmm ... Best ... Coffee ... Ever!

It's everything I'll need to work all night long and make the best potion for tomorrow's challenge.

To be continued ...

Quality entertainment for everyone, everywhere
Pepper&Carrot is a comedy/humor webcomic suited for everyone, every age.
No mature content, no violence. Free and open-source, Pepper&Carrot is a proud example of how cool could be free-culture.
I'm focusing a lot on quality, because free and open-source doesn't mean bad or amateur. Au contraire.
Let's change comic industry!
With less intermediary between audience and artist you pay less and I benefit more. You support me directly.
No publisher/distributor/marketing/fashion can force me to change Pepper&Carrot to fit their vision of 'the market'.
... Why not a single success couldn't 'snowball' a whole industry in crisis? Let's try it!

Help me to boost Pepper&Carrot production today
