Oh shoot, I fell asleep with the window open, again...

... it's so windy...

... and why can I see Komona through the window?

KOMONA!

The Potion Contest!

I must've... must've accidentally fallen asleep!*

... but?

Where am I?!?
Carrot!
You're so cute to have thought of bringing me to the Contest!

Fan-tas-tic!
You even thought of bringing a potion, my clothes, and my hat...

... let's see which potion you brought...
WHAT ?!!

As Mayor of Komona, I declare the potion contest...
Open!

Our town is delighted to welcome no fewer than four witches for this first edition.

Please give a huge round of applause:
All the way from the great Technologist’s Union, it’s an honor to welcome the ravishing and ingenious Coriander!

... not to forget our local girl, Komona’s very own witch Saffron!

... Our third participant comes to us from the lands of the setting moons, Shichimi!

... and finally, our last participant, from the forest of Squirrel’s End, Pepper!

Let the games begin!

The vote will be by applaud-o-meter

First up, Coriander’s demonstration

... fear death no more, thanks to my...

Ladies & Gentlemen...

... Potion of ZOMBIFICATION!

Clap Clap Clap Clap Clap Clap Clap Clap
FANTASTIC!
Coriander defies death itself with this mi-ra-cu-lous potion!

... but please, save your applause, people of Komona!
because here is MY Potion

The real potion you've all been waiting for: the one which will amaze your neighbors...
... make them jealous!

... all this is possible with the simple application of a single drop of my...

... Potion of POSHNESS!

Fantastic! Incredible!
This potion could make all of Komona rich!

Your applause can't be wrong. Coriander has already been eliminated.
That last demonstration would now seem difficult to beat for Shichimi!

... come on Shichimi, everyone's waiting for you

I... I did not know we had to give a demonstration

NO! I cannot, it is too dangerous SORRY!

Give me that!

... and stop pretending to be shy, you're spoiling the show

Everyone already knows that I've won the contest no matter what your potion does...

CAREFUL!! It's a potion for GIANT MONSTERS!
CAW-CAW-Caaaaaawww

... huh, cool!
so it's my turn now?

... my potion will at
least be worth a few
laughs because ....

BAM!

Run, idiot!
The competition
is over!
... save yourself!
there you go...
... as usual, everyone leaves just when it’s our turn

At least I have an idea of what we’ll be able to do with your “potion”, Carrot
...put everything back in order here and head home!

HEY!

You
Oversized-posh-zombie-canary!

Wanna try one last potion? ...

... not really, huh?
Yeah, read the label, carefully...

... I won’t think twice before pouring it all over you if you don’t get out of Kamona right away!

Because she saved our town when it was in peril, we award first place to Pepper for her Potion of... ??!!

... Haha! yep... ... huh... in fact, it's not really a potion; it's my cat's pee sample from his last trip to the vet!

... no demo then ?!
