Pepper, you bring shame to Chaosah.

Cayenne is right, a witch of Chaosah worth the title must command humility, fear and respect.

... while you, you offer tea and cupcakes, even to our demons*...

But...

...godmothers...
Pepper, you are certainly talented, but you are also our only successor.

It is our duty to make you a true, mean witch of Chaosah.

But... I don't want to be mean! It's... it's contrary to everyth...

SILENCE!

... or we'll revoke all of your powers!

And you'll once more become the little idiot orphan of Squirrel's End.

Cumin will shadow you from now on to help train you and update us with your progress.
The new King of Acren is too kind and gentle with his subjects. The people must fear their King.

Your first mission is to find and intimidate the monarch to better manipulate him.

A true witch of Chaosah has influence over the powerful!
The King ?...
...so young ?!

We must be the same age...

What are you waiting for?! Go on! Wake him, intimidate him, scare him!
You and I, we are a little alike...

young...
alone...

...prisoners of our destinies.
First test: TOTAL FAILURE!
We've got a lot of work ahead of us Pepper...
