I’m going in.  
No use in watching you dig...  
Bury all these failed potions for me and get in as soon as you can to rest.

Seeing you succeed tomorrow is probably just wishful thinking, but who knows!

Alright, I’ll hurry!  
But, by the way, what’s this thing about always burying everything?  
Wouldn’t it be better if we...  

If WHAT?
Uhm...
Well, of course, I'm no expert...
But the vegetable patch this year is really weird and that goes for a lot of the other plants around the house too.

Same with the ants, they're really up to some strange stuff.

I thought to myself that maybe we have a bit of a problem with pollution and should think about cleaning up a bit...

Listen, Miss "I-Ruin-All-My-Potions", your Hippiah costume is no doubt going to your head.

In Chaosah, we bury our mistakes! It's been our tradition since the beginning of time and I don't give a hoot what MOTHER NATURE thinks about it!

So you shut it and you DIG!!
we bury our mistakes

tradition

since the beginning of time

OF COURSE!

Come on, faster, Carrot!
“Oh, handsome warrior, blond and golden-locked!”

“...You who haunt my chaos!”

“...You are the entropy of my auroras.”

Nice poetry, mistress Cayenne!

It's crazy what you can learn about witches who bury all of their mistakes!
We have all had our failures.

I am no longer the Cayenne who wrote that.

That journal was buried for a very specific reason.

OK!

But what do you say to this then?

Hmm... I see...

It's simply an error of my youth, and in any case isn't appropriate for your age!

You really can't be embarrassed by any of this...
But the environment! Nature! We can’t keep polluting everything like this without suffering serious consequences!!!

We are witches of Chaosah! And our problems get buried deeply! We will not debate traditions!

Oh, look what I’ve just found! I can’t believe it!

How did this get down here?

She probably needs a little tuning, but still strums alright.
How did it go again? Cha-Cha Cha, Chaoosah!

Haha, I’ve forgotten the lyrics!
Maybe my song book is here somewhere too...

...so, we’re all in agreement.
Update to the rules of Chaosah:
From now on, we sort,
crush and recycle everything!
EVERYTHING!!
I respect all of you equally: with or without money. All special bonus I do for my patrons are also posted here. Pepper&Carrot will never ask you to pay something or get a subscription to get access to a new content.

Supported by patrons

Pepper&Carrot project is only funded by its patrons, from all around the world. Each patrons send a bit of money for each new episode published and get a credit at the end of the new episode. Thanks to this system, Pepper&Carrot can be independent and never use advertising or any marketing pollution. For only 1$ per new episode, become a patron today on Patreon.

100% free, forever, no paywall
Every contents I produce about Pepper&Carrot are on this website, free and available for everyone. I respect all of you equally: with or without money. All special bonus I do for my patrons are also posted here. Pepper&Carrot will never ask you to pay something or get a subscription to get access to a new content.
Open-source and permissive
I want to give people the right to share, use, build and even make money upon the work I've created.
All pages, artworks and content were made with Free/Libre Open-Sources Software on Gnu/Linux, and all sources are on Pepper&Carrot website, Source menu.
Commercial usage, translations, fan-arts, prints, movies, video-games, sharing, and reposts are encouraged.
You just need to give appropriate credit to the authors (artists, correctors, translators involved in the artwork you want to use), provide a link to the license, and indicate if changes were made. You may do so in any reasonable manner, but not in any way that suggests the authors endorses you or your use.

Quality entertainment for everyone, everywhere
Pepper&Carrot is a comedy/humor webcomic suited for everyone, every age.
No mature content, no violence. Free and open-source, Pepper&Carrot is a proud example of how cool could be free-culture.
I'm focusing a lot on quality, because free and open-source doesn't mean bad or amateur. Au contraire.
Let's change comic industry!
With less intermediary between audience and artist you pay less and I benefit more. You support me directly.
No publisher/distributor/marketing/fashion can force me to change Pepper&Carrot to fit their vision of 'the market'.
... Why not a single success couldn't 'snowball' a whole industry in crisis? We'll see...

Help me boost Pepper&Carrot production today

Thank you for reading!
